

## Art Marble Furniture

- Remove all items from packaging.
- While standing all part "A" pieces upright, joining them together as shown in the image below (this will be easiest with a second person), slide the two part "B" pieces over each formed end.
- You will find that parts "C" are located inside of part "B".
- Tighten parts "C" with the allen key that was provided. Although it is not required, you may also use a thread adhesive for added longevity of connection.
- Table base assembly is complete.
